Dear Sir:

On the filing receipt, the domestic priority data as claimed by applicant, notes data inconsistent with PTO records for United States Serial No. 09/793,005, filed February 26, 2001. The serial no. and filing date provided by the USPTO is incorrect. The correct Serial No. 09/736,005 with a filing date of December 13, 2000 is correctly shown on the Application Data Sheet that was filed with the application. Please issue a corrected filing receipt for the above-identified application.

A copy of the filing receipt mailed on April 11, 2002 is attached with a notation in red ink showing the error made by the Patent Office. Applicant does not consider the error made by the Patent Office as requiring the payment of any additional fee.

Respectfully submitted,

DORSEY & WHITNEY LLP
